Each fact asserted in the statement shall be supported by a record citation. A “record citation” is a citation to a specific page or paragraph of identified record material supporting the assertion.

b. Each response in opposition shall be accompanied by a separate, short, and concise statement of material facts. The opposing statement shall admit, deny or qualify the facts by reference to each numbered paragraph of the moving party’s statement of material facts and unless a fact is admitted, shall support each denial or qualification by a record citation. The opposing statement may contain in a separate section additional facts, set forth in separate numbered paragraphs and supported by a record citation.
